

VDS[®] HOLLOW METAL FRAMES by Forster[®]

45, 60 & 90 Minute Fire-Rated Frame Assemblies

CLASSIFICATION

PRODUCT DESCRIPTION

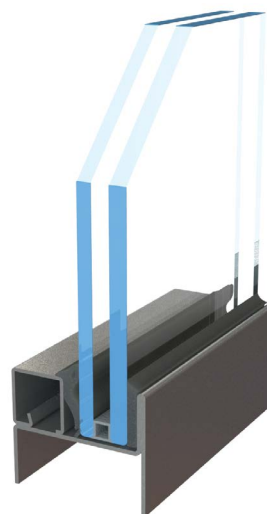

VDS Hollow Metal Frames by Forster are available in widely used design configurations allowing for consistent appearance when matching other non-rated hollow metal frames and side lites throughout the building. Non-temperature rise hollow metal frames are available for 45, 60 and 90 minute fire ratings, when glazed with our Keralite or Contraflam products. VDS Hollow Metal Frames by Forster can be combined with VDS Hollow Metal Doors by Forster.
