

Vetrotech Saint-Gobain International AG is part of the Saint-Gobain group. Vetrotech specialises in the development, manufacture and sales of high-performance safety glass for the building and marine sectors, with a focus on providing multi-functional security, comfort and design features for safe and seamless building integration. By offering a broad selection of high-security glass products, including resistance to fire, impact, attack, bullet, blast, pressure, and even hurricane, we can provide innovative solutions for even the most demanding of applications. Our head office is located in Flamatt (CH), and approximately 840 people work for Vetrotech around the world. Our seven main production sites, situated on three continents, ensure reliable supply to more than 60 countries via regional sales offices capable of providing global coverage. For our headquarter located in Flamatt, Switzerland, we are hiring a:

SUSTAINABILITY COORDINATOR INTERN – 1 year

Your responsibilities:

- Coordinate EPD creation for our product portfolio
- Write content and develop relevant marketing materials to explain our contribution to green labels (LEED, BREEAM, HQE...) and sustainable development approach
- Communicate our sustainability initiatives internally and externally
- Develop relevant training tools to educate our employees

Your profile:

- Master or other diploma in Sustainable Development (courses on green labels, EPD, LCA...)
- Background in Business, Chemistry or Engineering
- Marketing & Communication experience nice to have
- Fluency in English
- Customer orientation

We offer:

An interesting and transversal position in an international business, offering good working conditions and benefits to employees (such as free parking space, fitness membership, etc.). With us, you will be able to develop new skills and grow in a young and dynamic team, while contributing actively to the evolution of the company.

Our office is located in Flamatt, a 20-minute drive from Fribourg and Bern, just next to the motorway exit, and in walking distance (5 minutes) from the train station.

You are Interested?

We look forward to receiving your application (cover letter + CV) in **English**.
